COMMENTS

Two Ocean Broadcasting Company (“Two Ocean”), the permittee of Station KJWY-DT, Jackson, Wyoming, by its counsel, and in accordance with 47 CFR §§ 1.415 and 1.420, hereby submits its Comments in the above-captioned proceeding. In support thereof, Two Ocean states as follows:

At the request of Two Ocean, the Federal Communications Commission (“FCC”) issued a *Notice of Proposed Rule Making* (**DA 02-3380**, released December 13, 2002) (“*NPRM*”) in the above-captioned proceeding proposing to substitute Channel 4 as the station’s paired DTV allocation’ in lieu of Channel 14 in Jackson, Wyoming as originally allocated. The proposed substitution would permit Station KJWY to operate at its current antenna location at substantially reduced operating costs, provide a paired VHF DTV channel, and improve reception for DTV within the KJWY-DT service.

¹Station KJWY(TV) conducts its current analog operation on Channel 2

For reasons set forth in Two Ocean's original *Petition for Rule Making* as well as the above-referenced *NPRM*, Two Ocean fully supports the substitution of DTV Channel 4 for DTV Channel 34.

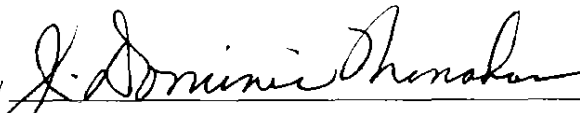

In the event the FCC assigns DTV Channel 4 to Jackson, Wyoming, Two Ocean will apply for a construction permit and will go forward with construction of the new DTV facilities on DTV Channel 4 at the coordinates set forth on the notice.

In view of the reasons set forth above, Two Ocean supports the proposal contained in the *NPRM* and respectfully requests that the Commission go forward with the allocation of DTV Channel 4 in substitution of DTV Channel 14 in Jackson, Wyoming.

DATED this 17th day of December, 2002.

Respectfully submitted,

TWO OCEAN BROADCASTING COMPANY, INC.
